Tuesday, 20 March 2007

Dear Competitor

Thank you for entering the 2007 Astra Stages.

It is with great regret that I have to inform you that the Organising Team of the event have come to the decision that this year's rally, which would have been the 25th, will have to be cancelled.

The reason for this is that at the time of writing, the number of entries received is under 100, and with a financial break-even point of 150 competitors, we are facing a deficit of approximately £24,000 – an amount which the organising club cannot consider.

In organising an event such as the Astra, there comes a point when items essential to the running of the event have to be purchased. At just over two weeks to the event, we are not yet at that point, and we cannot commit to any further expenditure in the vain hope that we receive sufficient entries to cover event running costs.

It is the first time in the history of the Astra that we have had to even consider a decision like this, but as a small organising club, and without a major sponsor, we cannot sustain losses such as we would be facing should we continue.

We will arrange for your Entry Fees to be refunded as soon as possible, in accordance with Article 8.12.

Once again, many thanks for entering the event.

Gwyneth Kay
Secretary of the Meeting
